Need a job?

Find employment on Cal JOBS!

Introducing a website to help you find a job.

Cal JOBS is a virtual One Stop website that allows you to view job postings in the region and post your resume so that it can be viewed by employers.

1. Register for an account at www.caljobs.ca.gov/ By creating your individual account, you will be able to take full advantage of resources such as building a resume and job searching.

3. Search for jobs. Use the Virtual Recruiter tool to automatically search jobs based on your desired criteria. When it finds your matches, you will receive a notification using your preferred method of contact.

2. Post your detailed information in the "Background Wizard" (found under the profile section). This will provide the basics to create a professional resume to advertise your skills and experience to employers.

4. Explore the features. You will have fast access to a complete set of employment tools. Use the "10 Steps" option to find a new job, from employer searches through resume writing and interviewing.
