Mr. Mike Manager  
Team Leader  
Target  
1153 Buttehouse Road  
Yuba City, CA 95991

Dear Mr. Manager:

Thank you for taking the time to meet with me today for the Stock Clerk position. I felt a wonderful rapport not only with you, but the entire Target Team.

I am more convinced then ever that I will fit in superbly as a member of the team. My abilities to follow directions, work independently and take initiative would contribute to the success of your store. My bilingual skills would allow me to serve a diverse population of customers.

I can make myself available for any further discussions of my qualifications that may be needed. Again, thank you Mr. Manager, I very much appreciate you and your staff taking so much time to speak with me about this exciting opportunity.

Respectfully yours,

William Worker
